

Cancel a Program Outline Approval Request

1. Click **Programs**.
2. Click **Cancel Approval Request**.
3. Click on the program that you want canceled.

Note: Canceling a program outline approval request does the following:

1. Brings the program outline back to your task list, so you can edit any field.
2. Stops the current curriculum approval process.
3. Once you're finished making changes to the program, you will have to resubmit your program outline to your division for a revote.
