CURRICULUM COMMITTEE 2013-2014
Meeting Agenda
Thursday, September 19, 2013
1:30 – 3:00 PM (BS 105)

I. Call to Order
II. Announcements

A. MATH22: This course that Jenny Watada is proposing is a renaming of the MATH 18 to MATH 22 to conform to a UHCC system standardization of developmental courses and course numbering. There is no content change, but a numbering change. Once the MATH 22 is approved, this course will replace MATH 18. Therefore, in Fall 2014 when the MATH 22 will be implemented, there should be no MATH 18. To expedite matters, any MATH 18 prerequisite should be a MATH 22 prerequisite starting Fall 2014.

III. Approval of Minutes (August 29, 2013)

IV. Discuss and vote on:

A. Request to fast-track 10 courses (BIOC 241, CHEM 100B, CHEM 151B, FSHN 185, ICS 100, ICS 110, PHYS 100B, FAMR 230, MUS 107, MUS 146) with obsolete math prerequisites. This request is to change the Math Prerequisite for each of these courses in Curriculum Central to the Math Prerequisite that will be used in Banner. If this request is granted, the only change to these courses is the Math Prerequisite is updated to the current math course.

B. Request from the Diversification Board for THEA 240 to be added to the DA category.
