MEMORANDUM

TO: Mike Pecskok, Vice Chancellor Of Academic Affairs
VIA: Jim Goodman, Dean of Arts and Sciences
VIA: Momi Kamahele, Leeward CC Faculty Senate Chair
VIA: William Albritton, Leeward CC Curriculum Committee Chair
VIA: Jennie Thompson, Math and Science Division Chair

FROM: William Albritton, Assistant Professor in ICS

JUSTIFICATION: The Advanced Programming and Network Troubleshooting CO is being deleted, because one of the required courses, ICS 294, is no longer offered. The Web Programming and Web Science COs are being deleted, because they have been replaced by the Database Support CO, which contains similar courses.

The ICS Program Faculty voted as follows: For: 4, Against: 0, Abstain: 1.

The Math and Science Division Faculty voted as follows: For: 26, Against: 0, Abstain:0.

The Curriculum Committee voted as follows: For: 12, Against: 0, Abstain: 0.

The Faculty Senate voted as follows: For: 20, Against: 0, Abstain: 0.

Thank you,

William Albritton
