Curriculum Committee Report to the Faculty Senate

September 23, 2015

The Curriculum Committee approved the following curriculum requests, course proposals, and program proposals and asks the Faculty Senate to accept the committee’s recommendations.

Courses

Course Modifications

HIT 102 - Health Data, Records, and Documentation
Modification
Effective Term: Spring 2016
Rationale for Change: Changed course title upon recommendation of the accrediting body (CAHIIM). New CAHIIM Accreditation Standards include an increased level of learning directed toward the electronic record, and health information technology and the requirements for health data, records and documentation. The title changes reflected here are recommended by CAHIIM to more closely reflect those updates and the content of the course.
