LEEWARD
COMMUNITY COLLEGE

Resolution in support of COW

WHEREAS, the current "Classroom on Wheels" (COW) is aging, out-of-warranty, out-of-date, and soon to be retired by the EMC; and,

WHEREAS, in recent years the COW is utilized by the Faculty Senate for its meetings, for such matters as:

- Reviewing documents online, such as the agenda, prior minutes, reports of committees, and other supporting documents, which has led the Senate to become almost fully online and/or digital, thus saving reams of paper;
- Senators able to take notes during meetings; email contact with pertinent and relevant people outside the senate; retrieval of prior minutes and other relevant documents; and,
- Other matters requiring immediate internet and/or computer access by committee chairs;

And, WHEREAS timely and efficient completion of Senate business will be hindered if the COW is not available for Senate meetings each month;

THEREFORE, be it resolved that the Leeward Community College Faculty Senate supports the EMC's request for replacement of the COW hardware.

Motion Approved Unanimously at the 12/11/13 Faculty Senate Meeting
