Footnotes:

- 1/ Data includes persons on leave without pay. Reports prior to Fall 2000 were based on data from Office of Human Resources computer reports 1240 and 1243 which excluded persons on leave without pay.
- 2/ Headcount includes employee count in primary position only. An employee with joint appointments with total FTE equal to 1.00 or greater is counted as full-time in the primary position.
- 3/ Beginning Fall 2018, UHCC non-instructional counts are based on a revised classification system used by the campuses. Prior to Fall 2018, some non-instructional personnel were counted as instructional due to the classification system in use at the time.
- 4/ When applying the tenure filters in Dataset Options, the results shown only include personnel categorized as faculty type.
