

Aloha Colleagues,

The Faculty Senate Elections Committee co-Chairs Helmut Kae and Michael Cawdery have announced the results of the Faculty Senate elections. The following faculty (listed in alphabetical order) have been elected to serve on the Senate during the 2015-2017 term, beginning August 2015:

William Albritton (Mathematics and Science)

Eileen Cain (Language Arts)

Lexer Chou (Student Services)

Petersen Gross (Mathematics and Science)

Steve Jacques (Language Arts)

Jeff Judd (Social Sciences)

Eiko Kosasa (Social Sciences)

Raymund Liongson (Arts & Humanities)

Wayde Oshiro (Library)

Christy Takamure (Language Arts)

Catherine Walker (Mathematics and Science)

On behalf of the Faculty Senate I would like to thank all those who took part in the election. The role of the Faculty Senate is extremely important in the shared governance of Leeward Community College. The Faculty Senate is chartered by the University of Hawai'i Board of Regents. This means that your Faculty Senate has the authority to make recommendations to our campus administration and to the UH System level: UHCC Vice-President, UH System President and the BOR.

Thank you to senators Kae and Cawdery, and IT specialist Therese Nakadomari for their hard work in running the elections and your quick professional resolution when needed.

Momi
