

General Education Committee Faculty Senate Report

From: Michelle Igarashi, Chair

Date: November 2, 2020

- I. The UH System Foundations Board met on October 16, 2020. The following was discussed:
 - A. UHM has created a repository of teaching resources:
<https://manoa.hawaii.edu/gened/resources/tr/global-and-multicultural-perspectives/>
 - B. The committee is looking into the issue of FG course transfer into UHM. Currently, courses based in western cultures are accepted to fulfill the requirement. There is not complete alignment between campuses. More discussions on this topic will occur via email and at the next meeting in spring 2021.
- II. Correction: A course approved last Spring was misidentified in the WI active courses list and the WI website. Quintero's approval was actually for ASAN 205, not ASAN 204. Please see the [Current WI](#) list. Counseling and Curriculum Committee have been informed.
