From: James H. Fujita
Leeward Community College
Faculty Senate Chair

Subject: Data Security

Dear Vice President Straney,

On May 23, 2017, Risa E. Dickson distributed seven documents concerning data security. She requested all Faculty Senates to review these documents and provide input on the recommended policies concerning data security by September 15, 2017. On August 23, 2017, the Faculty Senate of Leeward Community College met to discuss a variety of issues which included the UH system's data security policies. I wish to report that the Faculty Senate of Leeward Community College found the policies to be reasonable and beneficial. I also wish to report that the Faculty Senate had no objections to the recommended data security policies as described in the seven documents provided to us for review.

Sincerely,

A handwritten signature in cursive script that reads "James H. Fujita".

James H. Fujita
