

Report to Faculty Senate
For Faculty Senate Meeting October 14, 2020
Distance Education Committee

Submitted by Co-Chairs Kelsie Aguilera and Evelyn Wong

- Conversations are being had regarding maintaining the quality of online education amid the challenges brought by the pandemic.
- As of now, courses that recently transitioned to online due to COVID-19 are still being considered “distance-delivery” by our DE Committee and the ACCJC. Conversations are being held regarding when and how we can transition these courses to fully “distance education” that hit our Leeward CC DE Guidelines.
- The second group of our Leeward CC Self-Assessment process has begun to be guided through the process. The Self-Assessments will be due January 31, 2021. Our committee will be hosting an informational Zoom meeting on Monday, October 26 at 1:00 pm.
- As of now, “distance-delivery” courses are excluded from the Self-Assessment process, although instructors in this second group are encouraged to submit Self-Assessments for “distance-delivery” courses as a learning/continual improvement opportunity.
