

**Academic & Institutional Support (AIS) Committee  
Faculty Senate Report  
February 15, 2017**

The AIS Committee met on February 8, 2017, to discuss the following issues with Vice Chancellor of Administrative Services, Mark Lane:

- Safety concerns were raised regarding the walkway on the Waiawa road/overpass since it is currently marked with flexible plastic markers. Comments and questions should be directly to the State of Hawaii Department of Transportation.
  
- Alternate eating options: The campus has three committees related to food and beverage. The Concessions committee (primarily Cafeteria) - is currently looking at the idea of contracting out cafeteria service. Including the possibility of encompassing the renovated theater concession under this contract. Also currently exploring options for Waianae building and a vision for food locations closer to the rail station. The Beverage Committee - Tasked with beverage contracts for our campus. Snack Vending Committee - a report was given at our prior meeting. They are open to ideas however decisions based on product going stale, product offerings not moving (selling), location of machines.
