

**Mission Statement Review**  
**February 6, 2017 - May 1, 2017**

Mahalo for helping the Campus Council better serve our stakeholders in Participatory Governance. We have adopted a "Committee on the Whole" approach to review our Mission Statement to more actively engage our constituencies and to increase awareness of our Council's purview.

Please make arrangements with the stakeholder group you represent AND to gather their feedback about the mission statement NO LATER THAN February 27, 2017.

We will bring these data to our next meeting (March 6) to synthesize feedback, reach consensus about edits, and prepare an edited Mission Statement. A non-response means a vote to approve.

**Leeward CC Mission Statement:** *At Leeward Community College, we work together to nurture and inspire all students. We help them attain their goals through high- quality liberal arts and career and technical education. We foster students to become responsible global citizens locally, nationally, and internationally. We advance the educational goals of all students with a special commitment to Native Hawaiians. (approved, 2012)*

Please gather feedback about Leeward's Mission Statement using these guiding questions:

- 1) Does Leeward's Mission Statement appropriately articulate what is set forth in the BOR policy on Mission and Purpose (RP 4.201: see [goo.gl/tZPVW3](http://goo.gl/tZPVW3))? If no, please explain.
- 2) Does Leeward's mission statement communicate "to students and the general public the commitment of the College to achieving student learning"? (L4.100: see <https://goo.gl/1p4qF1>) If no, please explain.
- 3) Is there a way that we can shorten or simplify the mission? If so, how?
